PLUCKY PUNJABI PROVES THRICE AS NICE

WHEN Shivshankari Yamanapa Mootageri heads down the pub to get legless, she always drinks 50 per cent more than her chums – 'cos this lucky Hindu has ONE HALF more lower limbs than the rest of us.

Born with no less than FUCKING THREE legs, 25-year-old Shiv supports her family by appearing in travelling fairs under the stage name of The Tandoori Tripod.

Thousands of punters flock to her grimy tent and fork over two rupees to stare at her a bit and poke her with a stick.

And even though it's FREAKISHLY deformed and a bit whiffy, Shiv's extra appendage proves an irresistible attraction to all the local Johnny Guptas.

These Vindaloo Valentinos are constantly on at her to bump CHAPATIS with them, because they're keen to know if

- She has two vaginas
- Three buttocks, OR
- She'll let them rub their cocks on her third leg.

Despite this, Shiv doesn't look on her spare pin as an affliction – she's always maintained the SPOOKY Goddess Yellam bestowed the additional member on her as a gift.

Must have been a bugger to wrap. ■

I CAN SATISFY THREE DOGS AT ONCE!

BONUS REWORDED PICTURE THIRD-LEG JOKE

***SHIV and her boyfriend were rooting** in the shower when he slipped and knocked himself unconscious.*

Still quite naked, Shiv ran out of the house, up to a passing policeman and said, "Please help! My boyfriend's had a terrible accident."

The policeman looked her up and down and said, "Sorry, lady, if he's stuck up there that far, we'll never get him out."

NUDE BEACH GOLF CRAZE SWEEPS THE WORLD!

HEY THERE, sports fans – what better way to sharpen up your short game than an invigorating round of NUDE BEACH GOLF?

This variation on the traditional game is not only new, it's very exclusive – shit, these could be the ONLY PICTURES ever seen of ANYONE ever playing it.

Recently, nude golf fanatic Chantell (handicap: keeping her BIG TITS out of the way when she swings a club) paddled out to Magnetic Island to hit a few Titleists down the sandy fairway of the world's only designated nude beach golf course.

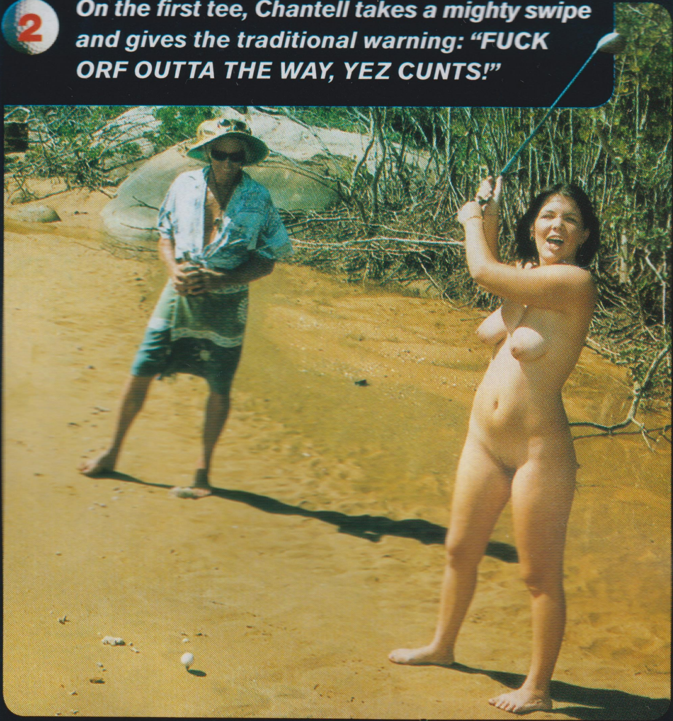
"It's a three-hole course and the longest one is 300 metres," said Bob, who is the course designer, groundsman and barkeep at the clubhouse on Horseshoe Bay.

"There are no greens and the holes are made by crabs. There are obstacles such as mangroves, huge rocks and razor-sharp oysters.

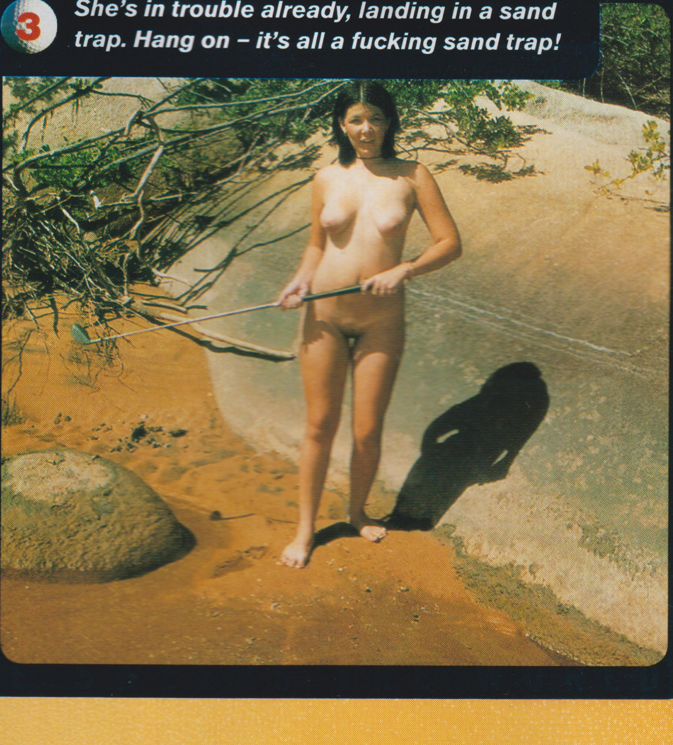
"The course is also heavily influenced by tides. And there's a crocodile in the creek."

Sounds like fun, eh readers? So grab your clubs and let's follow Chantell as she tames this championship course! ■

1 *Chantell displays her equipment. Note also clubs, balls, tees, etc.*



2 *On the first tee, Chantell takes a mighty swipe and gives the traditional warning: "FUCK ORF OUTTA THE WAY, YEZ CUNTS!"*



3 *She's in trouble already, landing in a sand trap. Hang on – it's all a fucking sand trap!*

4 *Hitting the gas cylinder on Bob's boat counts as a birdie, while hitting a birdie gets you in shit with the National Parks And Wildlife Service.*

5 *Here Chantell demonstrates the correct stance for nude golf. Note how nude she is. The rest is negotiable.*

6 *Bob gives Chantell a putting lesson. He's using the wrong club but for some reason he hasn't noticed.*

7 *Bob and Chantell relax after another round of nude beach golf. Isn't it time YOU learnt how to play?*

BETH AND BRIDGETTE GO DOWN IN THE FAMILY POOL

DOING things as a family is beaut – which is why we're WANG-BUSTINGLY excited to bring you this pair of deadset, real-life, RIDGY-DIDGE nude sisters.

Their names are Bridgette and Beth and this is their very first daks-off foray into the wonderful world of DUDE BOOKS. Bridgette's the blonde one and she's 27. Beth is the OTHER ONE and she's 21.

Let's go ask them STUPID questions about their tits, shall we? Well? Fucken SHALL WE?

Have either of youse done anything grouse and AMAZINGLY nuddy like this before?

BRIDGETTE: "I pose nude in private quite a bit so my partner can get some shots for his personal enjoyment. I've even done home videos – and I tell you, I've missed my calling. I could've been a hell of a porn star but sadly there's no real call for it in Australia.

"But to answer your question, this is my first time posing for a magazine."

BETH: "I'd never posed nude and had never even thought about doing it until Bridgette brought it up."

the sisters of sex

Really? Pray continue.

BETH: "I was feeling down after a break-up and needed a bit of a lift. Bridgette saw the ad in the paper and thought it would be just the thing to give me a bit of a confidence boost."

BRIDGETTE: "I knew it would do her good – having thousands of men lusting after her would do wonders for her self-esteem. And I also knew if we did it together we'd have a blast."

And DIDJA?

BRIDGETTE: "We had heaps of fun, even though it was freezing bloody cold! It was great streaking about in the bush and mucking around. I feel it brought us much closer together."

BETH: "Well, we're certainly much more comfortable about getting nude together now!"

Then our work here is done. ■

SMOKO SPUNK GETS PLUGGED BY MECHANICS

REVHEADS all know the secret to impressing babes is a hotted-up car that FANGS.

But it takes somebody mechanically brained to build an engine that FLIES and that's where the boys at The Fast And Furious come IN.

The Brisbane shop's tops at car audio and performance upgrades – but the work's TOUGH, so we dispatched Angel to dispense some smoko PLEASURE.

"I said to myself, 'This has to be a bloody angel,'" mechanic Blake revved hotly. "She was like something you'd daydream about."

The blokes downed their TOOLS and DROOLED over to Angel, who had all the meat pies and Queensland bananas needed to fill their empty tanks.

Indeed, her spunky presence gave their morale a welcome tune-up after they'd slaved like circus monkeys all week.

"She was excellent for the boys," said Alistair, co-owner of the garage. "They'd been working long hours so we teed up Angel's visit. We try to look after them."

Angel was also stoked about bringing NUDE JOY to the tireless mechanics.

"It's the work of men like these blokes that keeps the wheels of Australia turning," she gushed tearfully.

But after our spunk left the fellas were deeply affected.

"I had a few words the next day," Alistair grumbled. "The blokes were having trouble getting their minds back on the job."

So when next you hear the sound of a donut being chucked, SALUTE THEM that hotted the donk that does the work. ■

IF YOU want a new car stereo or need your motor HOONED UP, call the boys on (07) 3390 5233 or check out their website at www.fastandfurious.com.au. They'll make your motor rip.

Angel creamed all over the blokes' belly-bananas.

night of a thousand smoos

We prefer to think of her as Sexually Emancipated Woman.

ELL LAY GASH BASH GOES GUSH!

THERE was a near riot in Los Angeles when FARSANDS of disappointed punters were turned away from a sold-out party held by porn company Elegant Angel.

Well, probably more like hundreds. And it wasn't so much a near riot as a vague hint of unruliness. But they were definitely disappointed, no doubt about that.

The reason for their WOEBEGONE EXPRESSIONS was not being able to get in to help celebrate Elegant Angel's Slutwoman series of fine WIM-WAM films.

But FUCK THEM. WE got in, and that more than makes up for a few disgruntled gun-owners with too much time on their hands and a grudge against society.

Inside the Hollywood club things got very sexy indeed as such leading lights of the spoont flick scene as Keisha, Tiffany Mynx, Heather Lyn, TJ Hart and Lexi mashed moots, licked nips and generally acted the GIDDY GOAT.

Some of them even publicly throated the impossibly large wangs of their male co-stars, which made the rest of us feel a lot better about ourselves.

Many of them also wiped souvenir panties on their sweaty vaginas and threw them to a grateful crowd. We're keeping ours in a Tupperware™ container.

But undoubtedly the HIGHLIGHT of the night was the appearance by the star of the films, Slutwoman herself, Alexandra Quinn.

The 150-splodge-movie veteran was in fine form as she launched into a fashion parade of beaut boonting apparel and gave one lucky punter a soggy underpanted night to remember when she lap-danced on his, er…lap. Yeah. That's it. Lap.

"What can I say?" beamed Ms Quinn, adjusting her panty line. "I love sex, all the time, every day. I don't care who I fuck just so long as I get some cock."

That just about says it all, eh mates? ■

...and this is why!

She's playing SMOOSICAL chairs.

TITS BUCK OUT AT OUTBACK RODEO

'TWAS that time of year again in sunny KWEENSLAND when hard-working blokes and bosomy blokettes thunder into the small hamlet of Mingela for the annual Mingela Rodeo.

Held over the May Day long weekend, the rodeo is a good chance for rustic fuckers to show off their RUGGEDNESS by getting thrown off of bucking bulls and trampled beneath the hooves of cranky horses.

It's also a chance for those blokes to check out the pride of country BLAMPAGE, for the Mingela Rodeo wet T-shirt comp is the stuff of deadset fucken legend.

But this year the unthinkable nearly happened – the comp was nearly CANCELLED!

The rodeo went on too friggin' long and the girls who were willing to enter either fell asleep or changed their minds.

Unable to bear this NORKLESS situation, 1000 horny ringers banded together with the chant "Bring on the boobs!" The competition's emcee, Dirty Pierre, then jumped on stage and appealed with all his appealingness for chicks to SHOW THEIR TITS.

The crisis was beautly averted as breast-owners rallied to his plea. "We ended up with nine lovely entrants and the lads were in a frenzy," Pierre whistled happily.

Blokes then bid to bucket the chicks' T-shirts, with the money raised going to the nearby Woodstock School. One bloke coughed up $100.

"I feel like a good Samaritan," chortled Dave, a successful bidder. "We get to see boobs, the school benefits and the girls can win money."

After all the T-shirts were WETTED so the men could stare at GIRLS' NIPPLES, the competition was reduced to three finalists.

But while there could be only one first place, the fact is the big winner was TITS THEMSELVES.

A plucky bloke called Benno expressed the overall mood when he staggered forward and cried, "Boobs have made our night!"

And so the dust settled on another Mingela Rodeo and everyone was happy as PIGS IN GOOEY MUCK. ■

Church of the SACRED BLOWJOB

EVER wanted to blow up a church? We know we have. Now you can do it without getting little bits of choirboy all over the carpet with the all-new inflatable house of worship.

Pommy inventor Michael Gill came up with this Christian version of a bouncy castle and flogged the idea to the Church of England.

Father Michael Elfred officially dedicated the thing at the National Christian Resources Exhibition in Esher, Surrey.

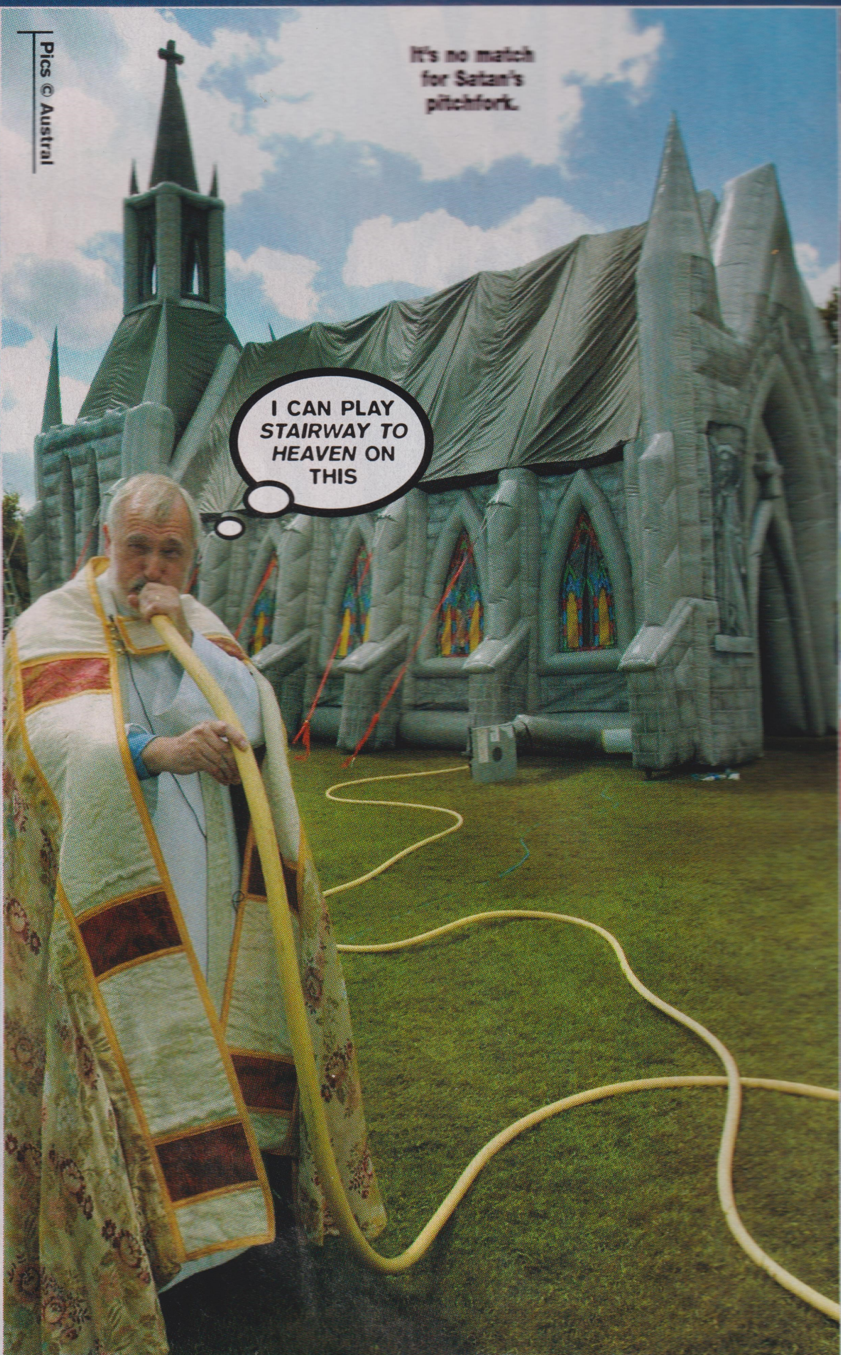
It's 14.3 metres high, holds 60 people and has stained-glass windows that are really plastic but look like the real thing if you squint.

It's perfect for that wedding, christening or funeral when you can't get a booking at a regular church because they're all being used for bingo.

They can wheel this bastard into your back paddock, fill it up with air and you can be on your knees 'fessin' your sins quicker than you can say, "Fuck the Pope."

The same people are working on an inflatable pub, which will be grouse because you'll be able to headbutt the walls when you're pissed and not do it or yourself any permanent damage.

It'd be pretty crap if you stabbed it, but.



I CAN PLAY *STAIRWAY TO HEAVEN* ON THIS

It's no match for Satan's pitchfork.

God bless this bag of wind.

Proof that the church is collapsing.

SOMEONE GIVE US A PUSH

We'll have a kilo of rump, please, John.

HANGiNG around

WE'VE always maintained the only good Frenchman is a DANGLING Frenchman.

So when we saw these ICKY shots of Froggo performance artiste John Kamikaze hanging from FUCKING MEATHOOKS, we got so excited we made chocolate croissants in our pants.

John pulled his kooky LES STUNT in the window of Selfridges department store in London as part of its recent Body Craze exhibition. Through the medium of DANGLAGE, he hoped to communicate some sort of artistic message of universal love.

Sadly, all he managed to get across was how FUCKING STUPID AND PAINFUL it is to hoick bloody great hooks through your back.

But that's an important message too.

FRYiNG aces

IF YOU like your meat black on the outside but fucking RAW in the middle and consider yourself to be a bit of a WAG, then you might consider entering BeefEater Barbecue's Search For Australia's Most Unique Barbecue competition.

It's an annual quest to find this country's wackiest outdoor grill and over the years it's turned up some FREAKIN' CORKERS. Like last year's winner from Maddington, WA, that was HILARIOUSLY fashioned from the arse end of a 1969 VW Beetle. Or that one shaped like a dinosaur that had us gagging on our bangers with FEAR.

So if you have a backyard burner that's CHOCKERS with character, or the tools and inclination to make one, just grab an entry form from your local BBQ retailer.

You could be a winner. Or NOT.

Grease and Luba job

Picture Lube

NORSE PHOTOGRAPHER + UKRAINIAN WIFE = AUSSIE SPOOF

BACK at school, we had this fat hippie librarian who smelled like burned newspaper. She was always on at us about how books would transport us to a "magical fairyland" where "adventure comes alive".

And we used to think that was SHIT. But then we saw this book called *Luba* by NORWAGENOUS photographer Petter Hegre. It caused us to have a magical wank where fistfuls of spaff came alive.

You may remember Petter (that's pronounced 'Gavin') from his *Russian Doll* book, which we gave youse all a classy PERV at in #765.

With *Luba* he's gone THE FULL WALRUS, cramming the hardback cunt with frickin' heaps of nude photos of his latest wife – a pants-pissingly GORGEOUS spunk from the Ukraine whose name is Luba too. Lucky, eh?

And, unlike the grainy Polaroids we took of our missus taking a crap, every one of Petter's photos is

- In focus
- Properly lit
- Tasteful, AND
- NOT posted on **www.watchmywifepoo.com**.

He's also kept the mood of the whole thing coy and playful, which means there are a bunch of shots of sexual Luba frolicking GAILY in sorghum fields and being 'caught' in the shower and so forth.

Sadly, there's no CLOSE-UP PINK or chocolate sandwich in the book – but that's why God gave us imaginations and locks on the toilet door.

But even without trying to mentally picture what Luba would look like with A FOOT OF DICK down her gob, a bloke can still crank out a decent one over this book, no worries.

Our only complaint is that it's a bit heavy and awkward to manage with one hand. But this can be overcome by getting the missus to hold it open for you while you do your BUSINESS.

So if you like spoofing over Norwegian photos of a naked lady with big tits from the Ukraine – and, let's face it, WHO DOESN'T – then go out and buy *Luba* now. It'll make the one-eyed ART LOVER in your undies all happy. ■

Happily, Ukranian clothing is poorly manufactured.

We dunno who the other chick is but we'd root her too.

Apparently she's half Polish. Arf!

BLOKES – get your sly copy of Luba by sidling up to your local book-selling dude at the urinal and whispering: "ISBN 3-283-00447-1."

Turk's chilly silly

Pics by Body Models © The Picture

A smoo is like a stubby holder, when you think about it.

Don't worry, Turk, she's just looking.

PICTURE READER'S INFECTIN' COLLECTION

THERE'S a champion readery bloke in Traralgon, Victoria, by the name of TURK who's never short of an icy ale thanks to his LIVER-DIDDLING collection of more than 600 stubby holders.

So when he wrote to us asking for one of our grouse ONES to add to his CACHE, we told him to fuck off and sent a nude chick down instead so his BRAVE hobby would be immortalised, like FOREVER, in our tacky little toilet read.

While most of Turk's stubby holders are made out of that wetsuity-type shit, he also has THE OTHER KIND.

"I've got about 50 leather ones," Turk WENT. "My favourites are probably the Australian Rules ones. I've got about a dozen of them."

"I've also got ones from all corners of the globe. I'm pretty sure they're an Aussie invention but they're catching on. I've got ones from Gracelands, Nigeria, um, Hawaii, Florida and even one from Bagdad. In Tasmania."

The Richmond supporter's priceless amber-cooling arsenal resides in the "blokes' room" out the back of the house, nestled ROMANTICALLY between a dartboard and a fridge FULLA beer.

And each holder is road-tested personably by The Turkmeister HISELF before it's added to those hallowed halls.

Roving naked lady Jessie, 20, was suitably MOVED by the display.

"It was very impressive," she SANG. "I've never seen a stubby holder collection that big before. And Turk is a really nice bloke."

However, he *wasn't* so nice that Jessie was prepared to give him a gobbie for his labours – but Turk had a beaut time anyway.

"She was a lovely girl," Turk GUSHED. "It was hard to look her in the eye. I got the shock of my life when she stripped off on the front step. I just wish the neighbours had been driving past."

Don't worry, Turk. They were probably peeking through the curtains. ■

Take me

TITS 'N' PISS MAKE

I MAY be an elephant-sized idiot but even I know that wherever bikers gather, partying be done.

So after regaining my eyesight and doing the required community service following the indecent exposure/macing debacle in Dayton, Ohio, I made my way to Nevada for the Laughlin River Run.

Laughlin is a beaut joint on the Colorado River full of casinos and flash hotels and the four-day River Run is one of the biggest biker bashes in the US.

And even though my motorcycle experience was limited to stealing a postie bike and crashing it into a drain when I was 15, I was gunna give it a go.

Just so's I'd fit in, I bought an imitation leather jacket and painted "TOUGH CUNT" on the back in sandshoe cleaner. I figured I'd let 'em know I meant business.

After they had dakked me and given my jacket to their pet chimp to use as a nappy, some nice bikers told me just to be myself and everything would be cool.

Which was all the excuse I needed to rethink my wardrobe and get stuck in to the duty-free bottle of Albanian brandy I'd been saving for a special occasion.

Needless to say I WENT THE MONG in fine style, dancing greased up and naked down front for the George Thorogood gig, sacrificing a goat in the foyer before the Quiet Riot show and attempting to clamber on stage during the judging of the Miss Laughlin River Run contest dressed in a bike-chain G-string with

Baby teeth, grown-up norks.

GLAD I GOT THAT OFF MY CHEST

a couple of calves' brains superglued to my chest.

I reckon they won't be forgetting Max Porker in a hurry.

Everywhere I went there were HEAPS of Seppo chicks flopping out their funbags like they had fleas in their brassieres or something.

But there were also scheduled nork shows, like the Miss Thingummy hoo-ha I mentioned and the Hawaiian Tropic bikini show and the Victoria's Secret Bedroom Babes contest.

What with all that going on, a bloke couldn't walk 10 metres down the street without having a few dozen pairs of PIERCED, TATTED and, on occasions, ENTIRELY ARTIFICIAL Yankee yoyos shoved in his face.

Which is just the way God meant it to be.

Of course, there were lots of bikes and stuff but as I said I wouldn't know a Harley from a hang-glider. So if you see me attempting to ride a Heritage Softail off a cliff into a rising thermal, stop me, would ya?

With a bit of luck and the all-clear from my medical practitioner, I'll be reporting next week from San Francisco on the Bare To Breakers – the greatest nude fun run since I accidentally set fire to the curtains in a strip joint up the Cross a few years back.

Cop ya later! ■

Squeeze your BaGPiPe

BY THE time we found these pics of Yasmine under the pile of 'snotty' tissues on our desk, the bonnie babe had FUCKED OFF back to Scotland.

She hails from the highlands of that lumpy land where she whiles away the hours playing the haggis and rooting the bagpipes. Probably.

But we DID manage to finally get in touch with the slippery 25-year-old thanks to the WONDERS of the electronical letter.

And then we asked her INTRUSIVE questions about her personal affairs.

Why did you come to our country only to leave us again with no more than our bitter-sweet memories and a salty puddle of spoof that's gone all runny?

"I was in Australia for a year on sort of a working holiday. I worked serving drinks in a bikini for these two guys from Melbourne. I sailed around the Whitsundays in their yacht for three months. But the best bit was living in Byron Bay in my 1974 campervan and surfing."

See pictures of Yasmine doing rude things at

www.picturemag.com

How swell. Any do you have a message of relief for our readers?

"To anybody out there masturbating to my pictures I say, 'Nice one – happy to be of assistance. Go for it, dude, just don't shoot me in the face. Keep it clean for the next dude.'"

Oops, sorry, DUDE! Would you go the WHOLE HOG and do proper porn, like with big cocks up ya and that?

"I've never really thought about it. However, invite Brad Pitt and Black Beauty and I might just think about it."

Neigh, clip-clop, whinny. What's your penchant in the boudoir?

"I love sex and reckon I've always been hornier than my girlfriends. I like to use the old striptease trick to get things going. If it's done right you guys are like putty in my hands.

"I'm a good dancer and use my body well – flexibility, rhythm, bumping and grinding – it's enough to raise the *Titanic*! And this is before the clothes come off. You wouldn't be disappointed."

We're sure. Lastly, Yasmine, are you at all concerned that your nude appearance in this periodical perpetuates the male chauvinist status quo and the hegemonic discourse of women as sex objects?

"You can take my picture but you'll never take my freedom!"

Och, aye! And spoont! ■

Are they trying to tell us something?

NOW, NOW...

we're all adults here

(SNERK, GIGGLE, SNICKER)

THERE'S nothing that says "I'm a grown-up" more than going down to your local ADULT PRODUCTS shop and demanding to see a selection of their finest FANNY-DIDDLERS.

It indicates you are comfortable with your sexuality and ready to plunge holus-bolus into the steamy world of adult erotis…eratik…rooting.

Secret Desires is just such an emporium of horny delights and has been SERVICING the needs of the sexually aware population of Southport, Queensland, lo these past three years.

So when proprietor Ben Little called the 24-hour Sticky Business emergency hotline, we sent Rebel (from Me And My Boobs #763 and our pin-up in #768) along to CHECK THE JOINT OUT.

Ben reckons the nooky-enhancement business on the Gold Coast has gone nutso in the past couple of years.

"There were only two other shops on the Gold Coast when we came here three years ago but now there are probably 12," Ben EJACULATED.

"We get everybody from girls on their 18th birthdays buying their first dildoes to an 82-year-old woman who is one of our regulars."

Yes, we know – it's a FAMILY thing. What's your best seller at the moment?

"That would probably be the Dolfinger – It's a vibrating bee shoved up the arse of a rubber dolphin, which you then tie around your cock. It stimulates the woman's clit."

That blows our mind. What about vibes?

"Our most popular is the Water Bunny."

And how does that…no, on second thoughts, don't tell us. Instead, let's talk to Rebel. Yoohoo, Rebel. Were you impressed with the scope of weird doohickeys on offer at Secret Desires?

"I was amazed that they actually made some of them, like this huge anal probe… and a blow-up sheep that said 'baa' when you pressed a button."

That's our Christmas shopping sorted. Do you own any such devices yourself?

"I won a bagful of them at a strip comp recently but they're really only for show. I can't imagine me actually *doing* anything with them."

Funnily enough, Rebel, WE CAN. ■

IF YOU love something, set it free. If it comes back, it will always be yours. If it never returns, it was never yours to start with. If it sits in your house, messes up your stuff, eats your food, uses your phone, takes your money and never behaves as if you set it free to begin with, you've married it.

A SALESMAN stopped at a remote farmhouse one evening and asked the farmer if he could put him up for the night. The farmer explained he had no spare room but eventually said, "I could let you sleep with my daughter, I guess…if that wouldn't bother you."

The salesman couldn't believe his luck and quickly agreed. After a hearty supper, he was led to the farmer's daughter's room. He undressed in the dark, slipped into bed and felt the young woman at his side.

The next morning he fronted the farmer to settle up. "It'll be just $10, since you had to share the bed," the farmer said.

"Your daughter was very cold," the salesman smirked.

"Yeah, I know," said the farmer. "We're going to bury her this afternoon."

AFTER her wedding a bride confessed to her groom she was a virgin and nervous about her first time. Her husband told her he knew how to get around the problem and would show her his cock bit by bit. The wife lay in bed and saw three inches of dick come around the door.

"Are you nervous yet?" called out her husband. "No," she giggled.

Another six inches of throbber appeared around the door and he called out again, "Are you still OK?" "Yes," she replied a little nervously.

A further foot thrust around the door and she squealed, "I'm still not nervous." "That's great," called the husband. "I'm coming up the stairs."

THREE engineers and three accountants travelled by train to a conference. At the station, the accountants each bought a ticket. The engineers chipped in and bought a single ticket between the three of them.

"How are three people going to travel on only one ticket?" asked an accountant. "Watch and see," one of the engineers said.

Aboard the train the accountants took their seats and watched all three engineers cram into a toilet and close the door behind them.

Soon enough the conductor came around taking tickets. He knocked on the toilet door and called out, "Ticket, please." The door opened a crack and a single arm emerged with a ticket in hand. The conductor took the ticket and went.

The accountants agreed it was a clever idea and after the conference decided to give it a try.

When they got to the station, they bought a single ticket but were amazed to see the engineers buy no ticket at all. "How are you going to travel without a ticket?" asked an accountant. "Watch and see," an engineer said.

On the train the three accountants crammed into one shitter while the engineers crammed into another. After a short while one of the engineers left his dunny and walked over to the one where the accountants were hiding. He knocked on the door and called out, "Ticket, please."

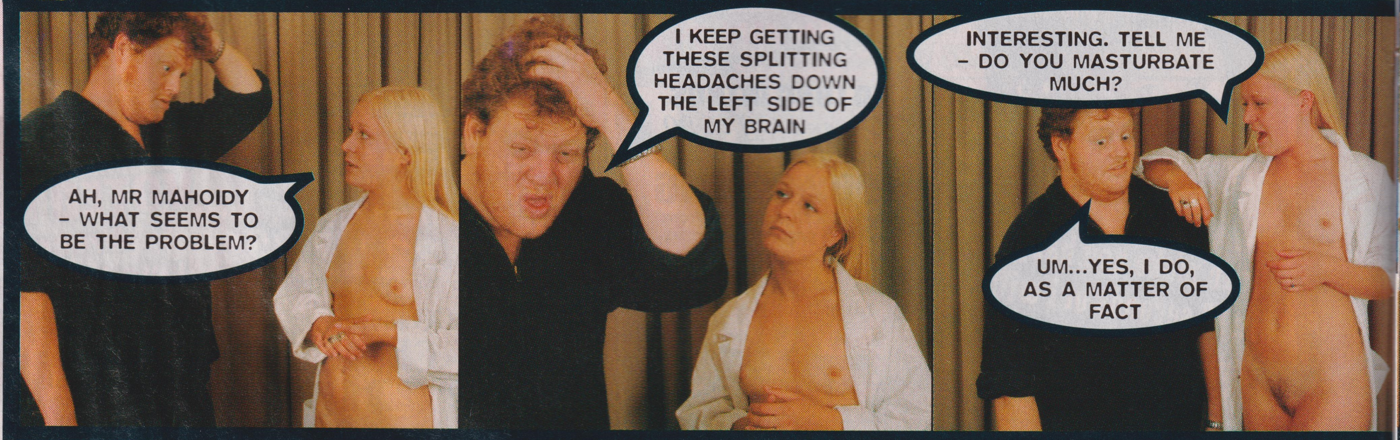
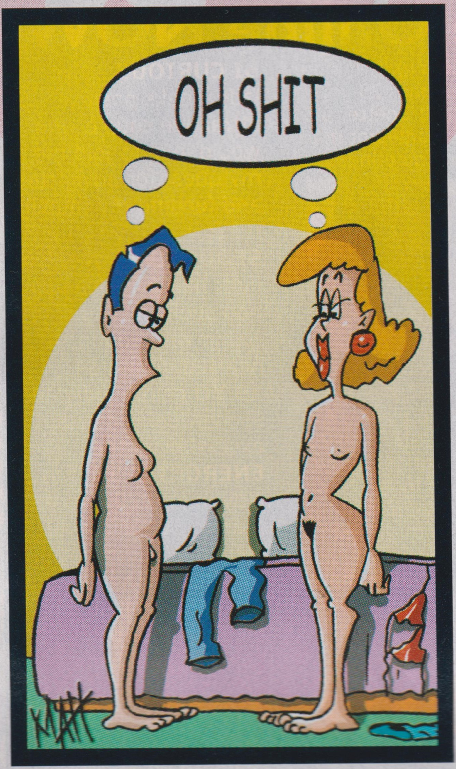
SOME parents were due to meet their daughter's fiancé for the first time. The father quizzed him

CRAP OLD JOKE OF THE WEEK "ONE DAY AT THE DOCTOR'S"



AH, MR MAHOIDY – WHAT SEEMS TO BE THE PROBLEM?
I KEEP GETTING THESE SPLITTING HEADACHES DOWN THE LEFT SIDE OF MY BRAIN
INTERESTING. TELL ME – DO YOU MASTURBATE MUCH?
UM...YES, I DO, AS A MATTER OF FACT



privately to determine his future prospects. "What are your plans?" the father asked. "I'm studying religion," the young man said.

"That's admirable," said the father, "but how will you provide a house for my daughter?" "I will study," the young man replied. "God will provide for us."

"And how will you pay for the wedding?" the father persisted. "I will concentrate on my studies," the young fella said. "God will provide for us."

"And children?" asked the father. "How will you support children?" "God will provide," the young man said.

Later, the mother asked, "How did it go?" The father said, "He has no job and no plans. The good news is he thinks I'm God."

ISN'T IT FUCKING GREAT?

Nature's Secret Sex Weapon

Clinical experiments show that when male pheromones are detected through the vomeronasal organ (VNO) in the female nose, the hypothalamus at the centre of the brain—the centre of human emotions—creates intense sexual desire.

The effect is instinctive, so she feels attracted but has no idea why.

Male pheromones trigger almost uncontrollable and spontaneous biological sexual response in women at the subconscious level. **BodyWise** is synthesised Androstenone, the invisible and almost undetectable male pheromone that, when unknowingly inhaled by adult women, will make you irresistibly attractive.

Regardless of whether you consider yourself visually attractive or just presentable; outgoing, extroverted or introverted, BodyWise can help you. So next time you're going out, spray a little BodyWise onto your shirt collar or cuffs, put a smile on your face and walk up to the first pretty girl you see.

You'll become a walking magnet to women.

BodyWise

Nature's Secret Sex Weapon, comes in a convenient spray pack. Use it at parties. At work. Out on a date. Whenever you want to be more attractive. Women will be irresistably drawn to you—and never know why!

"Male pheromone secretions... attract women."
WORLD MEDICINE

"Pheromones... influence human behaviour in a subtle way—women are attracted to the smell."
DAILY TELEGRAPH

"It's something women don't consciously smell; it works on the olfactory nerves. The woman finds the man attractive but she doesn't know why."
LIFESTYLE, TEXAS

REAL LIFE EXPERIENCES

"When they get near to me they say,'I don't know what it is about you, but whenever I get close to you I want to do it.'" **QLD**

"I now make love almost every night to a variety of women." **VIC**

"A much younger, beautiful lady sitting next to me at a dinner party whispered that she wanted to make love to me." **WA**

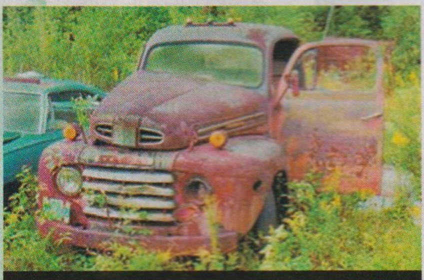
Ca$hman

If you desperately need dollars, tell Ca$hman why in no more than 150 words. Remember, Ca$hy loves photos with letters to prove your case. Write to Ca$hman, THE PICTURE, GPO Box 5201, NSW 2001. Ca$hman regrets he is unable to reply to all requests and won't return photos. So there you go.



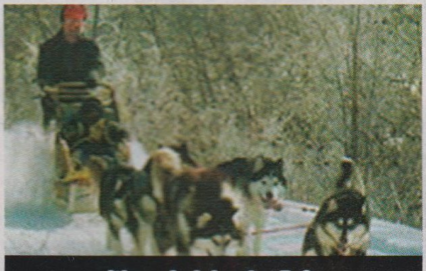
The only roots for B.S. are in the diff.

HAVE CAR, WILL ROOT

I AM a single mum who is finding it hard to get a job in a country town with no vehicle. I can get a job easy enough but there is no public transport here and I can't afford to buy a car on Centrelink payments, so please can you lend me $800 to buy a cheap car so I can get to work? I love reading your mag. My favourite part is the Home Blokes. Some have nice big dicks. With a car I could pick up roots too, but from the next town because this one doesn't have many young blokes too fuck.

B.S., Bordertown, SA

$0 ***CA$HMAN SAYS:*** ***I'm afraid I'm not in the business of buying people cars. I mean, I sympathise with your plight and all and I know it's tough having neither a job nor regular porking but just think of all the kiddies in China with scarcely a dog to eat between them. Yes, there's always someone worse of than yourself. Though I suppose there must be that one poor bastard out there who is worse off than EVERYBODY. If you're reading this, mate, keep your pecker up and rest assured that the way the world is going soon everyone will be joining you at the bottom of the heap. Anyway, B.S., you can't have any money. But you probably figured that out already, didn't you?***



It's a sledging for R.C.

WHAT THE...!?

MY 93-YEAR-OLD granny wants to be the oldest person to go to the South Pole. Trouble is, she's one dog short of a sled team. She's knitted them all body-warmers, although one stitch short of a row. It makes me go all mushy just to think about it. Unfortunately, she is also 10c short in the dollar.

R.C., Bunbury, WA

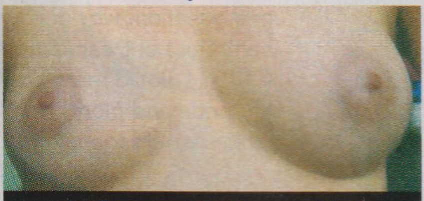
$0 ***CA$HMAN SAYS:*** ***Yeah, there's a lot of this brain-fever going around. Your granny's obviously got it, you've probably got it and I think I feel it coming on myself. The best thing we can all do is get a good night's sleep. You don't appear to be asking for money, but rest assured even if you had I wouldn't have given you any.***

HER DICK DILEMMA

I'M A 24-year-old bisexual woman and I've been in a relationship with a girl for two years. But I'm getting tired of having no dick to suck and fuck. I have me a nice hunky 19-year-old who has a mighty good cock and I really need to spend the night with him but I can't seem to get away from my girlfriend. Please will you give me $150 towards a room to see if I want to go back to dick and flick the chick.

A.D., Townsville, Qld

P.S.: These are my tits.



Position vacant for a young bloke.

$0 ***CA$HMAN SAYS:*** ***Why not go a quick knee-trembler with him up against the rubbish skip behind the pub? It'd be cheaper. You've been dickless for two years so you shouldn't care where you cop it. I'm tired now and I want to lie down and dream about lesbians.***

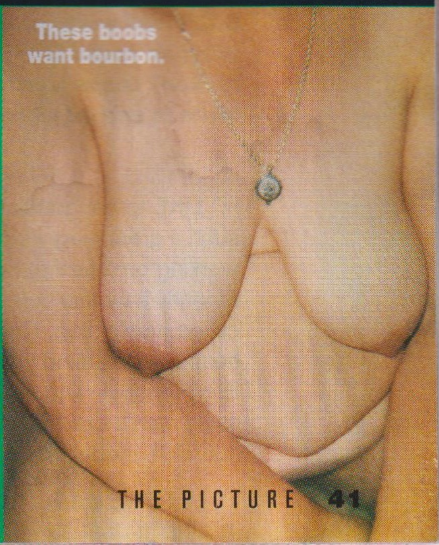
LETTER OF THE WEEK

A YEARNIN' FOR BOURBON

I'M AN active woman of 44 who's just been diagnosed with motor neurone disease. As you can imagine the news has shattered me somewhat. But I am not going to give up without a fight 'cos life must go on regardless. What I need more than anything is a good night out to drown my sorrows in bourbon, but I have four kids and I'm on a pension. My lowlife other half walked away 'cos he says he could not cope seeing me go through all that pain. Anyways, I figure $100 would pretty well do it – at $38 a bottle, bourbon is a good buy. Enclosed is a photo of my tits that will hopefully help move your hand from your cock to your wallet.

R.B., Hampton, Vic

$100 ***CA$HMAN SAYS:*** ***Diseases are very FUCKED. You appear to be taking a sensible view of your condition, and if whisky don't cure ya, well, it sure can't do any harm. Have $100 and show those tits a good time.***



These boobs want bourbon.

Readers' World

Hey, why don't you write to us? Letter writers now receive a T-shirt, stubby holder or pack of PICTURE playing cards! And you get something even if you say we suck! Tell us what you want when you write to: Readers' World, THE PICTURE, GPO Box 5201, NSW 2001. (For shirts, include size and style – nude chick or finger.)

$50 LETTER OF THE WEEK

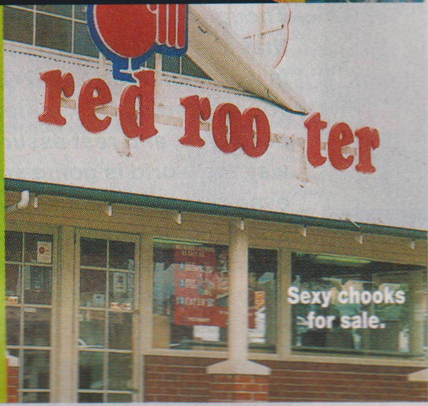
FOWL HUMOUR

THIS photo was taken at the Red Rooster in Carlton, NSW. Bit of a laugh, eh? I love your mag.

K.W., Sans Souci, NSW

P.S.: How about a reply?

We would reply, K.W., honestly. But we're busy cleaning the guts off the lino after splitting our sides laughing HYSTERICALLY over your RIOTOUS pic.



Sexy chooks for sale.

DEANNE FAN

I'M A huge fan of your mag and you get some good-looking honeys. I got one question: why don't you do a centrefold of Deanne from Home Girls #736? I would really like to see all of her pride and glory and I'm sure other blokes would too.

B.C., Bundaberg, Qld

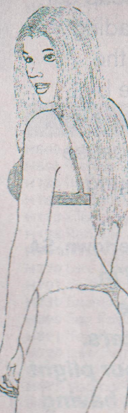
A comfortably nude Deanne.

She's not half fucken bad, is she, B.C.? Well worth a squirt in the dirt. What do youse OTHER readers reckon? Is she worth a spread? Write in and let us know.

CRYING RALPH

I'D LIKE to congratulate you guys on such a great mag. I buy it as often as working on a fishing boat will allow. I recently saw this hottie in that so-called men's mag, *Ralph* (your mag is heaps better, mind you). Her name is Erin Normoyle and she's the woman of every man's dreams. Not only is she a hot bikini model, she also races motocross. Can you please run a pictorial on this fine specimen of an Aussie babe? Here's a picture I drew of this 20-year-old from Victoria to show you she's well worth a few pages. Keep up the good work.

N.B., Maryborough, Qld



Aaaaah, tracing paper – the last refuge of a scoundrel. Don't be too harsh on Ralph, mate. If it wasn't for them we just wouldn't know WHAT sandals to buy.

IT'S A HARD ONE

BOYS, what the fuck is going on with Home Blokes and the guys pitching a tent before having their pictures taken? I was outraged to see Donk (Super Dong Of The Week in #767) win the section with a half-fat. I thought that was grounds for disqualification! It shouldn't be allowed. I thought chubbing (or should I say rubbing) up wasn't allowed for the participants. I'm a long-time reader and there is no doubt you guys have slackened off in the judging. It should be an even playing field – no cheats! Admittedly, it is hard not to get a hard-on over your magazine, but fair's fair. No foreplay, eh?

P.C., Sutherland, NSW

It's a half-mongrel, folks.

Some of the KNOBS that write in are a bit VEIN and want to look their best. But try not to let it make you ANGRY 'cos too much tension can reduce the LENGTH of your life.

GO THE TOAD

YEAH, Toad, that's me. Hey, I like fannies bald or natural. Hell, I like the feel and the taste of them. I can't get enough of them. I love giving fannies a good workout with my tongue and, of course, my schlong. And if the girls of Bundaberg want to find out for themselves, all they have to do is ask. I don't care if they're black, white or Asian – Toad loves women of all colours, bald fannies or not. So, PICTURE mag, no matter what the other people say, fannies are fannies. Just keep up the good work by showing all the fannies, as you have made Toad very happy over the years.

Toad, Bundaberg, Qld

A tasteful, quality smoo.

*Fucken hell, Toad. Now you've fucken gone and (sniff) made us cry. The fact we're able to bring a bit of vaginal pleasure to a bloody great Aussie champ like **YOU** makes the hanging out with nude chicks, the taking photos of nude chicks, the **STARING** at photos of nude chicks and interviewing of nude chicks **THAT MUCH** easier to bear.*

AVOID CANADIAN FAGS

HOW NASTY are the Canadians? As if "Smoking Kills" isn't serious enough, they also list the toxic content.

M.M., Rockhampton, Qld

PORKER STALKER

DEAR PICTURE, I think Max Porker is a fucking legend. He's got to be the luckiest bloke around getting to go and look at all those titties. I can't wait for his next feature. I reckon I'm pretty good at rating norks myself. Does he need an apprentice?

S.M., Drummoyne, NSW

Frankly, S.M, Porker's tenure here is hanging by a thread. We flew the motherfucker over to the States where he must've looked at THOUSANDS of Yankee tits. And did the selfish cunt bring us back any? Did he FUCK.

If you crack a fat looking at this head, you're a wrong 'un.

THIS WEEK'S FEATURED MPEG STARLET: HEATHER HUNTER

IT'S NO surprise that Heather Hunter rhymes with 'nether cunter'. This tinted queen of '90s 'grunge' PEEN has been a top-heavy stalwart of the pumping for pennies scene since she came of age in 1988.

In fact, the horny New Yorker was so GAGGIN' FOR A SHAGGIN' she shot her first stick flick, *Heather*, ON her 18th birthday!

"It was incredible," she told some cunt in an INTERVIEW. "The sex came so natural. The only thing that made me nervous was the dialogue. I had no clue about how to act."

Thankfully, little or no acting talent is not a barrier to success in the PORN WORLD. Hunter's titanic tits, lithe frame, an arse that J-Lo can only DREAM of AND a tantalising touch of the tarbrush has seen her get more roots than, um, something with a real lot of roots. Like, er, maybe a carrot cannery or something.

Anyway, she's a dirty little spunk and they've got MPEGs of her chocolatey insides for NIX all this week at **www.picturemag.com**.

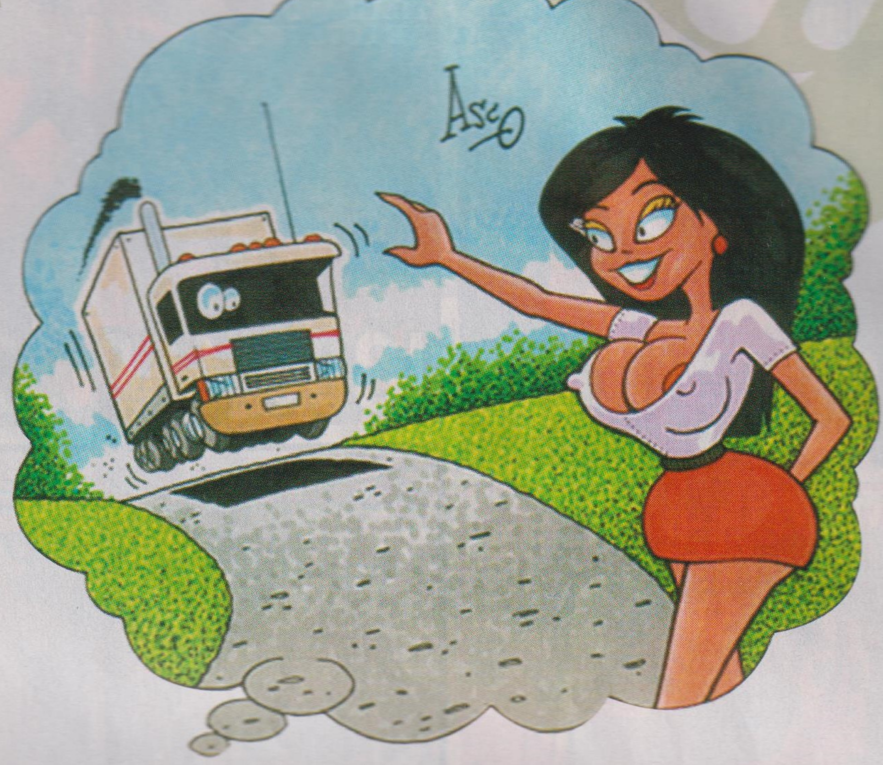
Gripping yarns

Hit the ROAD

BY ALLEN TAYLOR



"NOOOOOO!" Doug cried out as he sat bolt upright in bed. His sheets were wet with sweat and his jocks clung to his raging manhood like Gladwrap.

"Damn that recurring dream!" he hissed through clenched teeth.

Doug lay still for a minute and then decided to have a cold shower. As he washed the nervous sweat away, he thought about the dream. It was the same one he'd had for the past five nights and it was driving him nuts.

Doug had been a truck driver for 10 years and in that time he'd never seen what he saw when he closed his eyes at night.

She was beautiful. She was too good to be true. But then again, most dreams were.

Each night in Doug's dream he would be driving his semi-trailer along a highway. Everything would be going according to plan…and then she would show up.

Out onto the road she would casually walk, right in front of his throbbing, hot truck. And of course he would have to make an emergency stop. Her huge breasts would sit like basketballs in a net as her long brown legs showed the way to the gates of Heaven. Her long black hair sat around her shoulders and her red lips turned up in a smile.

Every night Doug would get out of his truck and walk over to her. They would look at each other for a while and then her mouth would open to speak. But before any words came out Doug would always wake up. And it was really starting to piss him off!

After a few gulps of strong coffee, Doug walked out of his flat and slammed the door behind him. He jumped into his ute and roared down the street towards work.

"Bloody red lights," he cursed as he pulled it up at an intersection.

As he sat there, he looked to his right and his eyes nearly jumped out of their sockets. On the footpath stood the chick from his dreams. It *had* to be her! The long black hair gave it away. She turned and caught Doug staring at her. She smiled.

"Oh, fuck! You've got to be kidding!" Doug screamed as his foot slammed against the accelerator. The light was still red and he nearly got sideswiped, but he had to get away from the horror in the black wig.

It was hideous. She – it – whatever you wanted to call it, must have been 80 not out. Her hairclips would have been the only things keeping the wrinkles on her face from hitting the ground. She was gross.

Doug was still trying to catch his breath when his ute pulled into the driveway at work.

"What's wrong with you, mate? You look like you've just seen the devil," Doug's boss joked.

"You could be right there, mate," Doug said as he swallowed hard.

After the usual paperwork and load tests, Doug was on his way to deliver logs to a timber yard. It was going to be a long trip but Doug didn't really mind. It was only mundane on the odd occasions. He clicked on the radio and tried to find a decent song. When he looked up again, he nearly died.

The girl from his dreams walked onto the road just up ahead.

"Oh Jeez! Oh God! Oh fuck!" Doug yelled as his truck swerved and bucked. His right foot stabbed at the brakes while he frantically worked the clutch and gearstick.

It felt like ages but finally the truck stopped, unlike the load of timber piled on the back. The whole lot let go and scattered wildly across the road.

"Oh fuck!" Doug yelled as he jumped down from the cab. "Oh Jeez! The boss is going to kill me!"

Doug heard a giggle behind him and turned to see the raven-haired beauty. She looked just like she did in his dreams. The basketballs were there, the long legs to Heaven were there – as well as so much more!

"Are…are you real?" Doug asked, sweat dripping off the end of his nose.

"Of course I am, silly," she said sweetly. "I just made you drop your load, didn't I?" ■

NIKKI'S READY TO GO OFF

Bikini by www.teazeclothing.com

NIKKI

TAKE a look at Nikki (as if you weren't already) and see if you can spot the BUBBLING CAULDRON OF SEXUAL TENSION beneath her calm exterior.

Y'see, Nikki's been a bit on edge since her boyfriend (yeah, she's got one of THEM) took off overseas for three months.

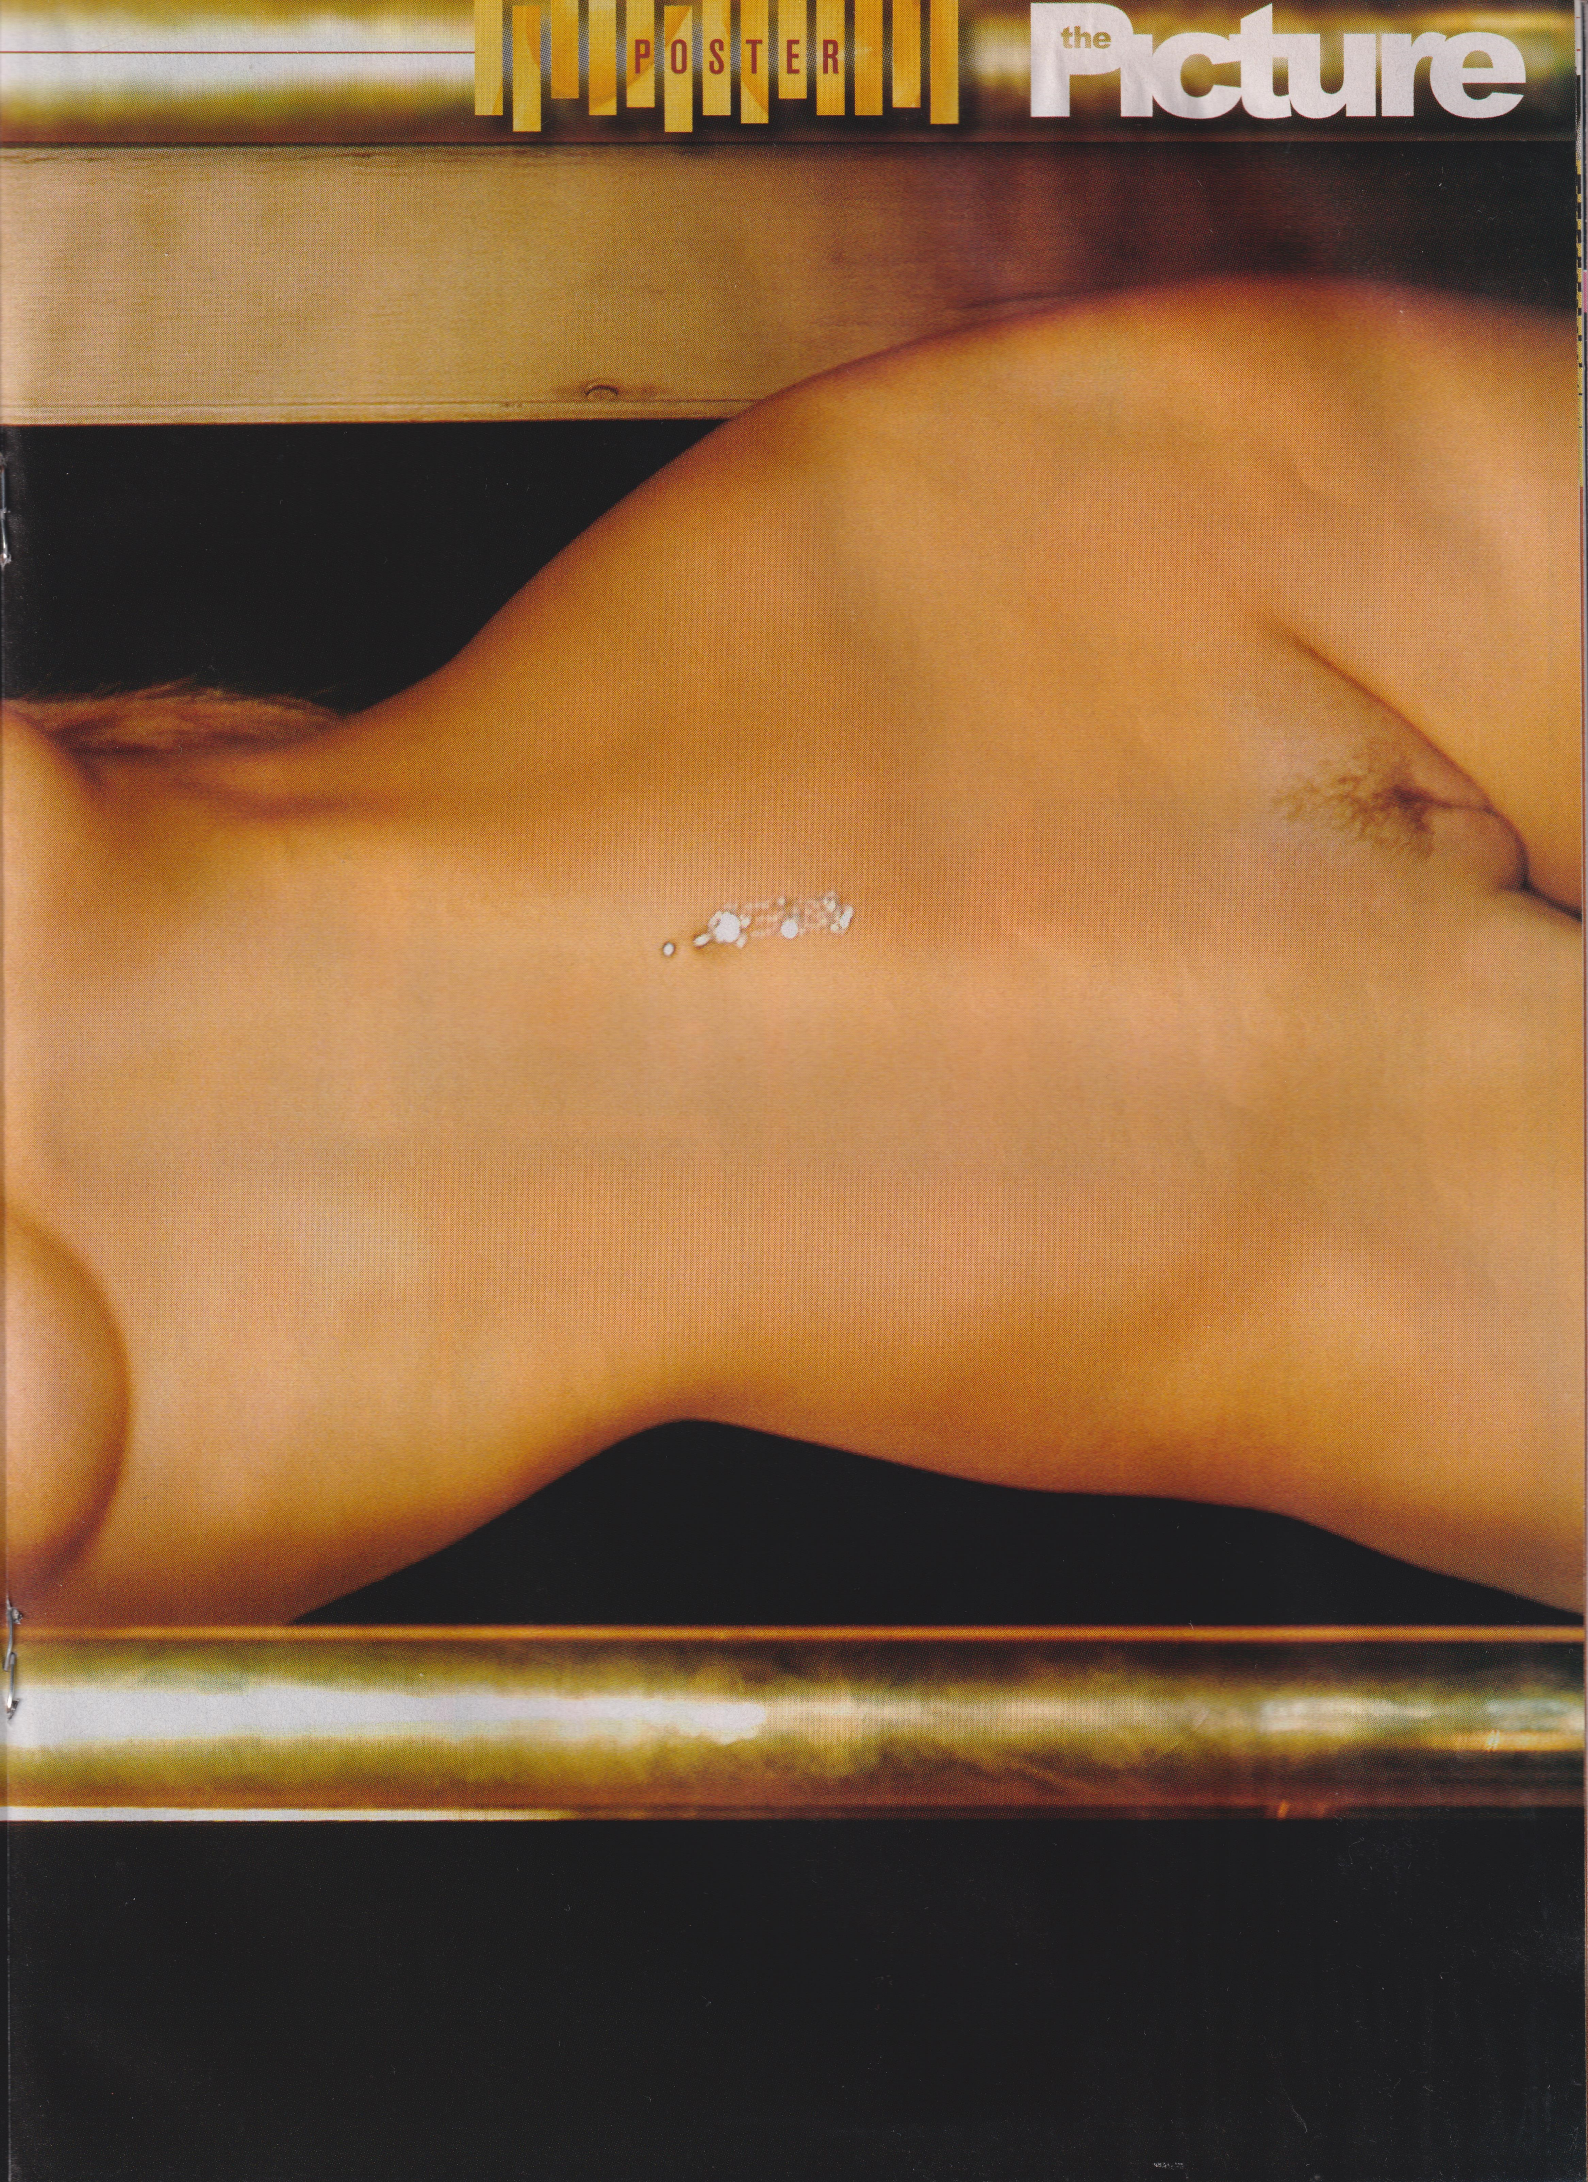
For a girl who LOVES HER NOOKIE (refer to our groundbreaking story in #653), it's been a bit hard to take.

But she's doing her best.

"I mean, I'm not a sex maniac or anything but I do get a bit...you know," the 21-year-old told us.

Yeah. WE KNOW. Only too well. What do you do about it? We wank like HAIRY SENATORS.

NIKKI



"Well, I wouldn't go that far but I do have to spend a little quality time with myself every so often to relieve the tension."

It's only natural, girl. Don't feel bad.

"And I've been having a lot of phone sex. It really can be very satisfying. I can get off on it quite well."

Depends how much you like phones, we suppose. We note, despite your sex goddess exterior, that deep down you're a somewhat shy, retiring type – have you blossomed at all in that area?

"I've gotten into watching porn videos."

Excellent! Armadillo Custard Rampage *is our favourite – is that the sort of thing you mean?*

"No, I like the more tasteful ones."

Lezzo?

"No, I don't like them. I prefer

threesomes – two girls satisfying one man. That's very erotic. And I like it when there are really good-looking people rooting – watching ugly people bonk isn't too hot."

Don't come to our Christmas party then. Been doing any crotch-watching during your nun-like celibacy?

"Oh yeah! I still perv on guys when I'm out. There's no harm in that. It's a look-but-don't-touch situation. I like tall, well-built guys with broad shoulders and nice smiles. Mmmm!"

You just had a hot tingle somewhere in the groinal region, didn't you?

"Yes. But I'm under control. I've – got – it – under – con – trol. Really."

Sure you have, Nikki. Sure you have. ■

HOME BLOKES

Calling all blokes!

$250 IF YOU'RE packing some major meat in your daks, why not whip your gear off and send a snap into Home Blokes? You could win yourself $250!

JOHN:

WATERFORD, QLD

Husky Johnno was sounding very sexy when we called 'cos he had the dreaded lurgy. He then barked it was his love of the Rabbitohs that got him into Home Blokes. "I was on the turps with me mates when I mouthed off and lost a bet." But this 29-year-old forgets all his footy woes when his squeeze is on the scene. "She's good value. She ties me up to the kitchen table and makes me wait for her. The best time was when she bought back two of her girlfriends and they all had their wicked way with me."

BRETT:

VALLEY VIEW, SA

After a shitty bike accident a few years back that resulted in a smashed femur and a pin in his leg, Brett, 35, hasn't been able to work. So he sent his pic in for a few extra readies to pay the bills. "The accident and the pain have been a real downer on my life," Brett grimaced. "I haven't had a girlfriend and I've been hittin' the piss a bit too much." ***What kinda gal gets ya nuts shakin'?*** **"They've got to have a few nice curves but in the end it all comes from the heart." Brett keeps busy making mull bowls from coconut shells which he gives to his mates.**

MARK:

BULLI, NSW

It's was the pull of the pussy that made 41-year-old Mark make the move from WA. "I was emailing a woman, so we decided to meet. She visited me in Perth then I followed her to Sydney. We shacked up together, I found myself a great job as a cabinetmaker and then suddenly it was all over. I decided to hang around." Now flying solo, Mark amuses himself with punting on the gee-gees, packing a bong or two and chugging beer. "I have my eye on a local chick," he hinted. "I'm hoping to impress her with my photo." *We take it you mean the eye of your COCK, Mark!*

SUPER DONG $250 OF THE WEEK

TIM:

MINTO, NSW

Big-cocked Tim is out of work, which means his lucky de facto gets her beaver reamed at least twice a day. "I get really excited when she licks my body all over," Tim drooled. "And I'm keen for a threesome." *Where's your most daring root TAKEN PLACE?* "On the pool table at my parents' house." *Ah, the old sink-the-pink-in-the-furry-pocket trick, eh?* Tim's 20 and reckons he's over hangin' with the lads and running amok. "I'd rather just chill at home, smoke a bit of pot and hang with my girlfriend."

Become a tackle-out home bloke

We NOW pay $100 to every bloke over 18 who sends us a picture of his tockley AND his ugly mug – we're not accepting those who are TOO CHICKEN to show their noggins. But we don't wanna see any stiffies or half-mongrels! Photos must be accompanied by a photocopy of some form of signed ID (eg, a driver's licence). Any persons sending in Home Blokes photos without the written permission of the subject will be liable to criminal prosecution.

Send your snaps to Home Blokes, THE PICTURE, GPO Box 5201, NSW 2001 or email 'em to homeblokes@acp.com.au. I want to be a HOME BLOKE! I give THE PICTURE the right to publish a photo of me in an upcoming issue.

Caution: We

ARE you sitting down, readers? We thought we'd better check. After all, we wouldn't want you falling over in shock and smashing your face when we tell you that TAHLIA'S FLAPS ARE IN THIS MONTH'S *PICTURE PREMIUM*.

That's right, snatch-lovers, the excruciatingly good-looking Tahlia – whose astonishing BOOZ you'll remember from #754, #726, #682 and #667 – is FINALLY giving the world a chance to peer deeply into her NA-NA.

And if that's not a reason to go out and do a BIG HAPPY SHIT on your neighbour's car, then we don't know what is.

'Cos we've all grown very close to young Tahlia over the years. We've seen her tits heaps and have had many fearsome wanks over her in the toilet and potting shed.

But the one thing that has always been missing from our otherwise intensely meaningful relationship with this Gold Coast spunkbag is a highly detailed series of photographs of her wangina.

And it's been TEARING US UP INSIDE.

Thankfully that's all about to change. Yes, come July 2 – which is next Wednesday unless you're reading this in the spooky world of the future – we're very much looking forward to

- Marching GAILY down to our local magazine retailer
- SLAPPING a small amount of money on his counter
- Demanding that he immediately giz *Premium* #58, AND THEN
- Locking ourselves in his bathroom with it and refusing to come out until we've thoroughly polluted ourselves over Tahlia's MINGEPIECE.

We trust you feel the same. ■

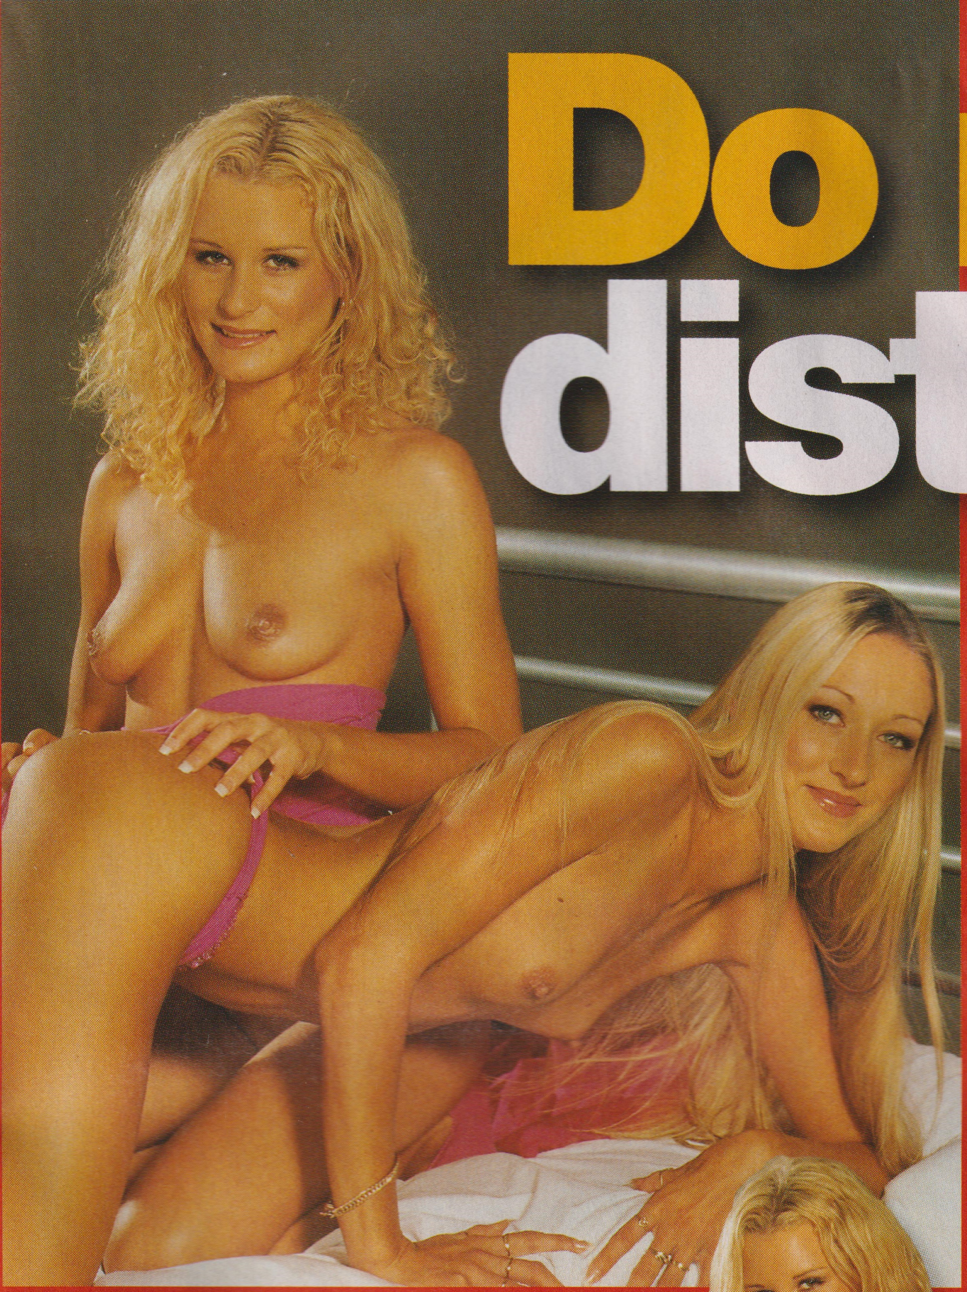
Do not disturb



HOMIES' GO FLAP-TO-FLAP IN HOTEL FINGER FRENZY

NO BLOKE worth his salty jit would dare disturb two hot lezzos bent on a MINGE BINGE.

Our cocks are keen supporters of lezbeen activity, particularly when we get to watch. Therefore it's the duty of all red-blooded stick mags to promote CHICK HOMONESS at every opportunity.

So when 19-year-old Home Girl Kirra asked us to put her in touch with Jessie, 23, after admiring her in Home Girls #763, our daks did a Highland fling.

We didn't waste a mo' pairing them up.

In the time it takes a knob to glisten, the spunky MOOF MUNCHERS were expressing their LEZBO LOVE in front of our grimacing photographer.

In the salubrious surrounds of a hotel room, Kirra and Jess playfully fondled each other's BAPS and stroked one another's COOZIES.

They went lip to lip and then 'gine to 'gine. They had a hotsy-totsy, ROYAL ROOT of a time.

Afterwards we asked them to describe what it was like.

Our pants are all sticky with a strange nutty smell. How was it for you two?

KIRRA: "Jessie is great. We got on very well. We're both crazy. When we were doing the shoot we couldn't stop laughing. We got down and dirty and we were pinning each other to the floor.

"It was starting to annoy the photographer we were laughing so much. He called us the giggling lesbians."

JESSIE: "We had heaps of fun and I *did* get turned on afterwards. Kirra is a lot of fun to work with. I don't have to act like someone else in front of her. We were being so outrageous and bouncing around together."

They're going in!

LEZZO WATCH
SPECIAL REPORT

Don't mind us, Jessie – dive right in!

Are you both full-on gash-growlers or was it just aktoring?

KIRRA: "I only ever pash girls when guys are watching. Jessie is the only girl I've had an attraction for. I feel really relaxed with her. She's gorgeous. We're going to start dancing together."

JESSIE: "Kirra and I had got acquainted beforehand and had an explosive night at a hotel. We had a few drinks and in the morning we went skinny-dipping. We got busted by the early morning surfers."

Do you feel proud knowing the cocks of a nation will be flogged in your honour?

KIRRA: "I don't mind – everyone's got to get off. That's what this mag is for. They can knock themselves out."

JESSIE: "It's a natural part of life. It doesn't bother me too much. In one aspect I guess it's a turn-on."

May your divine vaginas be blessed by magic pixies. ■

Sit up straight or there'll be no smoo for dinner!

Bursting for a **ROOT**

A FEW years ago I was going for a night out with friends. We got to the pub and the girls and I were soon on the dance floor. It wasn't long before I noticed this hottie checking me out (he was mostly checking out my pert tits). I walked over and asked him if he'd like to buy me a drink.

One drink led to another and at the end of the night he and I headed back to a place he shared with two mates. He lay on his waterbed while I did a slow striptease for him.

By the time I was naked he had a hard-on that could probably have been seen from space. He grabbed me and poured baby oil over my titties and started to rub it in. Then he began to tit-fuck me with growling, animal thrusts.

By that time I was wet and ready, so I pulled him on top of me. He pushed his throbbing dick into my wet pussy and we started going for it.

We must've been making too much noise because his drunken housemates burst in and jumped on top of us. I was on the bottom and the extra thrust really did it for me. I started coming just as his waterbed burst.

The pressure had popped a seam and water went everywhere.

The whole room was flooded but we were all so pissed it was hilarious. The four of us sat there and laughed.

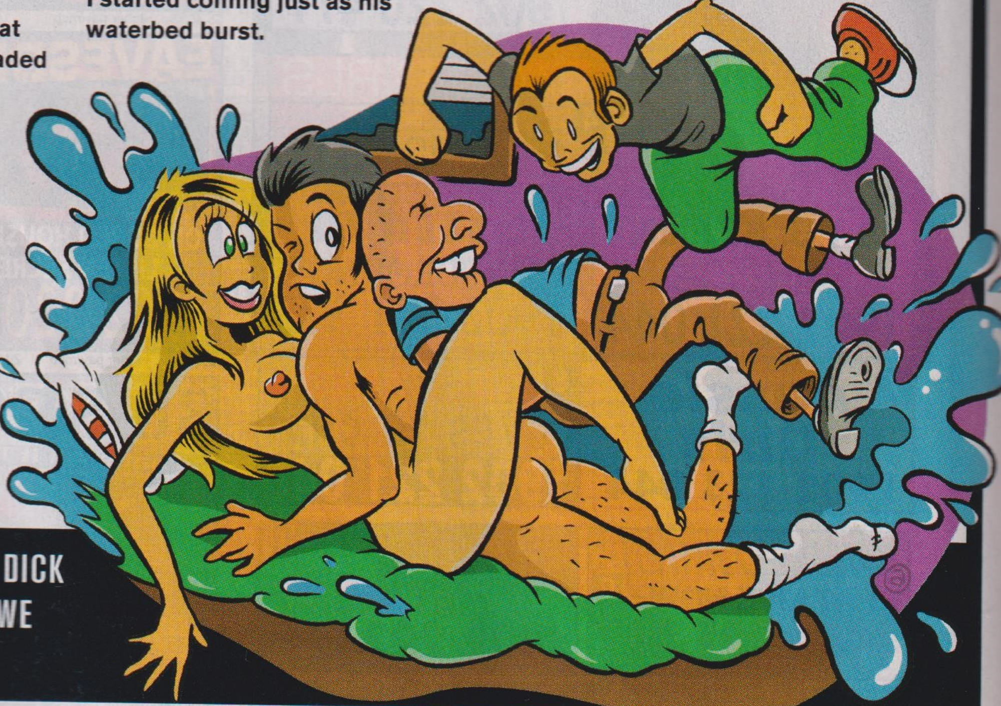
'HE PUSHED HIS THROBBING DICK INTO MY WET PUSSY AND WE STARTED GOING FOR IT'



BUNKY BONK goes berko

MY FUNNIEST fuck would have to be the time I was shagging this chick I met through my sister-in-law's brother. She would come to visit for the weekend and I'd fuck her stupid.

After a while my mates started calling around hoping they'd get a fuck out of her. Anyway, this one Sunday night she was getting ready to leave when she came into my room to say goodbye.

I was so tired all I wanted to do was crash. We had a double bunk and a mate of mine was on the bottom. I was dozing on the top when this chick walked in and tried to give me a headjob.

I told her I'd had enough for one weekend. She said she could feel my mate's hand rubbing her leg and asked what she should do. I told her to root him. The poor bloke had been hanging out for it all weekend and I didn't think he'd ever had a root before. She said, "I'll fix that."

Within seconds the double bunk was rockin' and rollin'. I heard all the moans and groans. The chick was yelling, "Fuck me harder!" Then my mate started howling like a wolf, then screaming, "Get off me! Get off!"

I heard her ask, "What's wrong?"

I'm not sure what had happened but he took off out the door and I never saw him for ages after that.

Anyway, she walked over, turned the light on, looked at me and asked, "What was that all about?" I said, "Fucked if I know." She shrugged and said, "See you next weekend."

I saw her again the following weekend but I didn't see my mate for a year. I heard about how he was bragging to everyone he'd made this chick scream. I never did find out what his problem was.

The **WANKER** next door

A COUPLE of months ago I organised a pool party for a couple of friends, one of them an old boyfriend. I got all the nibblies and drinks ready, much to the chagrin of the angry little dick who lived next door and always whinged about my weekend raves.

As the sun went down it was evident the group was not turning up. I was left sitting in the pool, half-pissed in a G-string bikini with my old boyfriend and the little prick next door glaring at me from his lounge room window as the music blasted.

My old beau and I got pissed and more amorous. We started kissing each other before he slipped my top off and fondled my tits. We became oblivious to our surroundings and soon I had him on the edge of the pool, working his cock with my mouth open, anticipating a creamy dessert.

I glanced around my beau's waist and noticed the little dickhead next door was standing at his window and flogging himself.

I jerked my old beau to an explosive orgasm and his cock blasted a salty jet of jism into my mouth. Meanwhile I kept my eyes on the dickhead flogging himself and tapped my beau on the shoulder.

We quietly got out of the pool and crept around a hedge and over to the fence. Then we crept up under his window and stood peering into his lounge room. There he was, beating his puny meat.

As he started to pick up his force and was ready to blow, my beau and I stood up stark naked, turned and both chucked him a browneye. He blew his choad all over his lounge room and we gave him the finger and ran off laughing.

V.W., Rockhampton, Qld

SCREW and spew

ONE HOT summer's afternoon the boys and I went out to the local pub to knock back some beers. After a few we got a bit rowdy.

The girls next to us liked us and came over to introduce themselves. There were three of them but one caught my eye.

She was stunning. She wore a little white one-piece outfit that showed off her perfect body. She had huge tits and a perfect round arse. It didn't take long for her and I to hit it off. She was laughing at everything I said and kept on grabbing my leg.

She was telling me about her trip overseas when she suddenly grabbed my cock and started to massage it. She felt it growing and smiled.

I grabbed her hand and took her into the male dunnies. I began peeling her clothes off until she was wearing only a bra and panties. Then I unzipped my fly, directed her head towards my throbbing dong and begged her to suck me off. She happily obliged, taking it deep into her throat.

Just as I was about to spit my wad, a bloke ran into the dunnies in a panic and ran right through us. My cock flew out of the girl's mouth as he bent over the basin and started throwing up.

We watched in disgust as vomit shot out of his mouth. Nearly gagging, we both ran out of the toilet with my cock out of my pants and the girl half naked beside me.

Everyone in the bar cheered but they didn't know the half of it.

BROADBEACH, QLD

We've got good news and bad news, readers. Even though 19-year-old Abby has her tongue pierced (traditionally thought of as a penis-blowing accessory), she doesn't like to suck cock. *Why not?* "It's just not my thing. Everything about it is wrong and I have a lot of guys presuming I like to do it because of my tongue piercing. I got it before I even knew what a blowjob was. It was a fashion accessory." *Oh well. You have some mighty big bazooms there. Do you like a man to stick his cock between them and thrust?* "I've never had that done, though I'm sure I'd like it." *Our cocks just squeaked, "Beaut!"*

Do tell all.* "I was out with a couple of friends at a get-together a while ago. We all drank heaps. I'd known this girl a lot of years and one thing led to another." *Have you ever gone the tonk in public?* "Only on the beach. It wasn't so crash hot 'cos sand got in all the wrong places." *Lucky bastard sand gets all the fun!*

RACHEL:

LAUNCESTON, TAS

When it comes to HAVING SEX, 28-year-old Rachel loves foreplay and being adventurous. *What else can you tell us about yourself?* "I've got three kids and a fella and I like going to the movies and clubbing." *What might you get up to on the town?* "I like to meet people and if I'm out with my partner we might stop somewhere on the way home or in the car and do it." *Have you got a favourite possie for making the beast with two backs?* "I like being on top – there's more penetration." Rachel also told us her fantasy: "I want to be blindfolded, handcuffed and then get out the hot wax."

HANNA:

ADELAIDE, SA

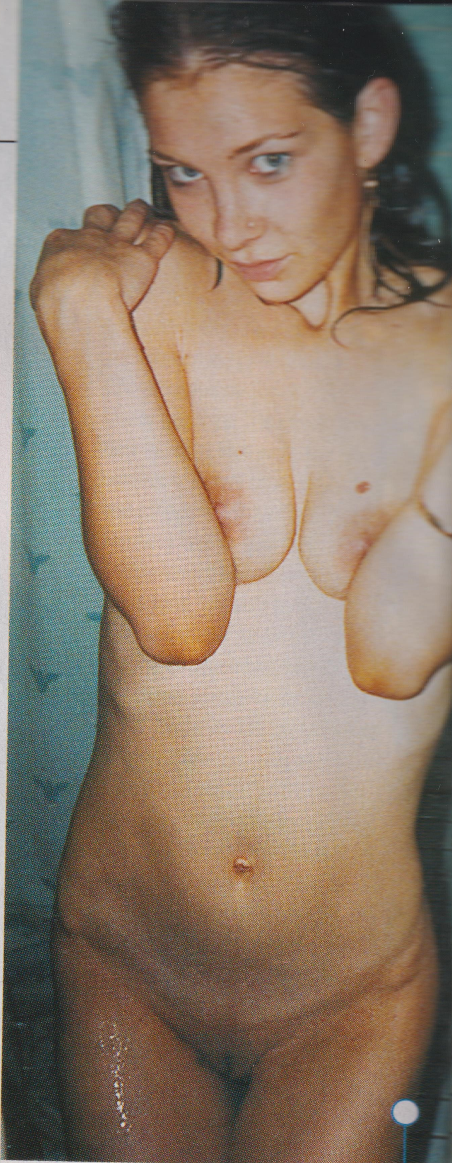
We love lesbians but one thing we don't like about 'em is they won't fuck men. That's why we like 23-year-old Hanna, 'cos she's bi. "I love looking at the women in THE PICTURE and I always end up masturbating over them. My fiancé doesn't live with me, so sometimes I have to take things into my own hands." *You sound like a pretty SEXUAL woman.* "Yeah, no matter who I'm talking to I'm always dripping – it doesn't matter if it's a man or woman, I'm always wet. That's how I figured out I was attracted to women. I was always wet when I spoke to some female friends and I realised I was sexually attracted to women." *We have the same problem.*

CHERRI:

CLIFTON SPRINGS, VIC

Cherri's 25 and if she wasn't engaged we'd snap her up in a minute. (If she'd have us.) She likes fishing, camping, bushwalking, swimming, doing up cars and going for rides on her '88 Softail. And she loves a good root. *What gets your motor purring with delight?* "A big, hard, roaring cock." *What do you like the fella to do with his purple-headed liver digger?* "I love sucking on it and I love it doggie-style." *What do you like the most with your clothes off?* "I love having my pussy licked while watching heaps of porn." *Got any FEELTHY fantasies?* "Nup, basically my man is enough for me and if his cock is raging hard, then I'm a happy woman." *You're tops, Cherri!*

BEAUT BUM
$200
SO BEAUT WE HAD TO RUN IT!



SARAH:

LONG JETTY, NSW

Please help us fulfil this 19-year-old's fantasy, which is to have OODLES OF DOODLES played with over her picture. "The thought of men wanking over my picture is a *huge* turn-on." *We're glad to help, Sarah. Any other fantasies?* "I wouldn't mind being a porno queen. I'd love to do some movies." *What would you like doing the most?* "Giving head." *You like it lots?* "I like a cock being in my mouth." *And when it spits?* "If I like it, I'll swallow. But if it's yucky, I'll spit it out." *What's the best way to get you ready for some pumpin'?* "When I'm drunk I'm always horny, so that'd be a start." *We love your face and tits and smoo and mind, Sarah!*

HOME GIRLS

WENDY:

GOLD COAST, QLD

This foxy 25-year-old keeps in shape by running around after her two kids, going to the beach and training her dog. *What do you train it to do?* "My husband is an obedience instructor and trains his for competition but mine is just for obedience." *We tried to train ours to fetch us beer but he ended up drinking 'em, the furry bastard! Why'd you become a Homie?* "I've been wanting to go in for a long time and I finally plucked up the courage." *We'd like to pluck… never mind. What sexy things do you like?* "I don't want to put anything too explicit in here. Too many people I know will be reading this."

ESANDRA:

BONDI, NSW

This tight-bodied 27-year-old certainly left us salivating. She sounds like she could be our best mate and a top root to boot. "I love playing golf, going to the beach and tandem skydiving…and I like going down to the pub and picking up." *What kind of guy do you go for?* "One who is a good talker…and hopefully good in bed." *What gets your beaut smoo gurgling for peen?* "Something that's really big and good." *Do you like BIG COCKS?* "Oh yeah." *Really?* "I love sucking on one." *Gracious! What do you like most about it?* "I love the taste of it." *Do you spit or swallow?* "I always swallow." *Where's your favouritest place to go the chonk?* "Usually at a party, in a pub or somewhere public." *Erm, we love you!*

SIMONE:

IPSWICH, QLD

"I've wanted to go into the magazine for a while, so I'm pretty happy about it. It helps me feel good about myself." *We're bloody glad you sent your pic in! Tell us about yourself, Simone.* "I'm 22, I have a fella and I'm a full-time mum of one." *Got a favourite possie for goin' the tonk?* "Anything goes…besides the bum." *No worries. Ever had a fucked fuck?* "We were coming back from the Gold Coast and decided to stop for a shag. We had the windows down 'cos it was summer and we were eaten alive by mozzies. Then he got a nosebleed and we had to give up." *Understandably.*

ANGEL:

ADELAIDE, SA

"I'd have to say my only real hobby is sunbathing in the nude," this gorgeous 38-year-old breathed down the line. *What do you get up to for fun?* "I love to go out, let myself go to the music and I love meeting people." *What turns you on?* "Having a joint in the nude." *That normally makes us paranoid. Especially when the nice policeman asks us what we're doing. What kind of guy might persuade you into a round of horizontal rumba?* "A gentle, loving, well-spoken man...and if he sucks on my fingers, oooh..." *CRIVENS! Do you have a preferred way of receiving a hot beef injection?* "Him from behind. That way we can both play with my clit."

MILLY:

ST KILDA, VIC

When this 19-year-old IT student wants some fun she hits the clubs or does normal girly stuff like shopping AND THAT. *How do you feel about people seeing you naked?* "I don't mind." *Do you take your clothes off in public?* "No, well...it depends on where I am." *Where have you taken your clothes off?* "At the beach and in some clubs." *CHAMPION! Have you ever had sex in front of people?* "No." *Would you like to?* "Yes." *What gets you in the mood for some rumpty-doo?* "Guys who are built and pornos." *And once the action starts?* "I like him to eat me out and I'll give him head." *Will you ROOT him?* "Not normally. A guy has to really turn me on, like 120 per cent, to make me want to have sex."

TRACEY:

MELBOURNE, VIC

We thought we'd misheard Tracey when she told us, but this champion 33-year-old has *five* beaut kids. *Do you get any time to yourself?* "Not much but I do like to get into music and I like drawing." *What do you draw?* "Lots of things – myself, cartoons, naked people...anything, really." *What do you think about people having a fiddle over your picture?* "It's a bit of a turn-on. Just don't get any mess on my picture." *We'll try not to. How would someone give you that fuzzy feeling between your legs?* "Kissing, romancing me and looking into my eyes. I'm only into romantic things." *Fairy-nuff. How would a fella romance you?* "Hold my hand, play with my tits, give me a nice big kiss and get me horny. That's it."

Renee

BYRON BAY, NSW

If looking at 18-year-old Renee's frightfully ace body is causing your TESTES to vibrate to a frantic salsa rhythm, we're NOT AT ALL SURPRISED. She's been doing the Latin dance thang for fucken years. "I'm getting quite advanced," the gorgeous ginga gushed. "I'm even helping my tango teacher with her beginners' class." *So you'd like to HOOF for a living?* "If possible. I'd also like to pursue acting – I studied it for my VCE and I'm very passionate about it." *As we are about looking at your vagina. How do you like to CRAM IT?* "I like spooning – it frees you up to move around but still involves lots of hugging." *And spoof. Don't forget about spoof.* "One day I'd really like to get a bit nasty, though. I'm generally very sweet to everyone, so to live out some sort of leather bondage mistress fantasy would be nice for a change." *It would also be nice for our smelly cocks!*
